

Broughton Hall  
Estate

Broughton Hall  
A magnificent historic house  
for your own exclusive use

The Broughton Hall Estate, set in stunning Yorkshire countryside, has been home to 33 generations of the Tempest family for over 900 years. At Broughton, history and architecture, landscape and luxury all combine to create a memorable scene.

Broughton Hall is now exclusively available as your own personal historic house, for private events, celebrations and house parties. At the heart of the Estate is the Grade I-listed Hall, where centuries of fascinating heritage blend seamlessly with 21st century comfort and convenience.

The elegant interiors are sumptuously furnished, yet Broughton Hall never feels like a museum or even a country club – it remains a cherished and authentic home, just as it was originally conceived. The ambience is relaxed yet luxurious, with outstanding food, skilled staff and an extensive wine cellar at your disposal.

Parties, weddings, family get-togethers, high-level corporate events – Broughton exudes the charm and style to exceed every dream or aspiration. Come for a day, a week or a month and revel in the space and freedom of the entire Estate, with the rich culture and dramatic beauty of the Yorkshire Dales on your doorstep.

The grandeur of the entertaining rooms is matched by the elegance and luxury of the bedrooms upstairs. Each of the guest bedrooms, is individually designed with a thoughtful blend of flair and tradition. The bathrooms are both imaginative and immaculately presented.

Tradition, opulence and luxury may be the backdrop to your stay, yet at the heart of the experience will always be a sense of enjoyment and relaxation: Broughton is exclusively yours for the duration of your time here and we want you above all to have fun and to thrive on all that the Estate has to offer.

Eden

This is Eden, one of three delightful holiday houses on the Broughton Hall Estate, providing further accommodation in contemporary style. Eden offers outstanding views, six bedrooms and ample space for house parties and celebrations.

Higher Scarcliffe

Yellison

Higher Scarcliffe is the second of our boutique “home from homes”, with a spacious interior cleverly engineered within a traditional Yorkshire farmhouse. There are four bedrooms including a mezzanine.

Yellison is an ideal self-contained bolt-hole for family or friends and, like Eden and Higher Scarcliffe, enjoys a wonderful countryside setting.

All three holiday houses are an ideal starting point for walking, exploring, cycling, horse-riding, touring and a host of other recreational activities. Your total well-being is an absolute priority and we can offer a full range of health and beauty treatments, in addition to the gym, swimming pool and tennis court.

The Broughton Hall Estate also presents Utopia, designed by Sir Michael Hopkins – a stunning bespoke structure nestling in a walled garden created by Dan Pearson. Utopia is designed to blend sympathetically with its setting and provides a large reception area with additional break-out or meeting rooms. Utopia is a wonderful venue for weddings, parties and business events.

The Land Rover Experience is one of Land Rover's very first centres for comprehensive driving tuition on challenging surfaces and is housed on the 3000-acre Broughton Hall Estate. As well as instruction, Land Rover also organise corporate hospitality, team-building events and family days.

Broughton can boast several illustrious neighbours, with the Brontës' Haworth, famous ruined abbeys and masterpieces from the Industrial Revolution all nearby – not to mention our own gastropub on the Estate.

The Yorkshire landscape is famed worldwide for its colours, moods, dramatic countryside and coastline. The Broughton Hall Estate is the perfect home from which to explore the county and marvel at its scenery and seascapes. Whether your preference is for gentle exercise or strenuous adventure, there is a wealth of activities to inspire guests of every age and inclination.

The Broughton Hall Estate is located close to the town of Skipton, on the edge of the Yorkshire Dales. There is easy access from the major cities of Leeds, Liverpool or Manchester, while London is approximately three hours away.

One family and 900 unbroken years of history and heritage – this is the background that awaits those who stay at Broughton. With the Hall itself, plus Eden, Higher Scarcliffe, Yellison and Utopia, as well as the Land Rover Experience centre, Broughton promises a magical and inspirational destination throughout the year.
